Limetree Refinery, St. Croix: On August 1, 2018, we learned from OECA that the White House is interested in making a statement supporting the restart of the Limetree (LTB) refinery on St. Croix. **Exemption 5 (attorney work product) and Exemption 7(A)**

Exemption 5 (attorney work product) and Exemption 7(A)

Exemption 5 (attorney work product) and Exemption 7(A) ORC and DECA have been working with OECA staff and DOJ to review the LTB proposal, and a written analysis is being prepared. We are also developing a summary/fact sheet.
